§ 17.143 Notice for monthly claims.

If the manufacturer has notified the regional director (compliance), in writing, of an intention to file claims on a monthly basis instead of a quarterly basis, and has filed a bond in compliance with the provisions of this part, claims may be filed monthly instead of quarterly. The election to file monthly claims shall not preclude a manufacturer from filing a single claim covering an entire quarter, or a single claim covering just two months of a quarter, or two claims (one of them covering one month and the other covering two months). An election for the filing of monthly claims may be withdrawn by the manufacturer by filing a notice to that effect, in writing, with the regional director (compliance).

§ 17.144 Bond for monthly claims.

Each person intending to file claims for drawback on a monthly basis shall file with the regional director (compliance) an executed bond on ATF Form 5154.3, conforming to the provisions of subpart E of this part. A monthly drawback claim shall not be allowed until bond coverage in a sufficient amount has been approved by the regional director (compliance). When the limit of liability under a bond given in less than the maximum amount has been reached, further drawback on monthly claims may be suspended until a strengthening or superseding bond in a sufficient amount is furnished.

§ 17.145 Date of filing claim.

Quarterly claims for drawback shall be filed with the regional director (compliance) within six months after the quarter in which the distilled spirits covered by the claim were used in the manufacture of nonbeverage products. Monthly claims for drawback may be filed at any time after the end of the month in which the distilled spirits covered by the claim were used in the manufacture of nonbeverage products, but shall be filed not later than the close of the sixth month succeeding the quarter in which the spirits were used.

§ 17.146 Information to be shown by the claim.

The claim shall set forth the following:

(a) Whether the special tax has been paid.

(b) That the distilled spirits on which drawback is claimed were fully taxpaid or tax-determined at the effective tax rate applicable to the distilled spirits.

(c) That the distilled spirits on which the drawback is claimed were used in the manufacture of nonbeverage products.

(d) Whether the nonbeverage products were manufactured in compliance with quantitative formulas approved under subpart F of this part. (If not, attach explanation.)

(e) That the data submitted in support of the claim are correct.

§ 17.147 Supporting data.

(a) Each claim for drawback shall be accompanied by supporting data presented according to the format shown on ATF Form 5154.2, Supporting Data for Nonbeverage Drawback Claims (or according to any other suitable format which provides the same information). Modifications of Form 5154.2 may be used without prior authorization, if the modified format clearly shows all of the required information that is pertinent to the manufacturing operation. Under § 17.123, the regional director (compliance) may require additional supporting data when needed to determine the correctness of drawback claims.

(b) Separate data shall be shown for eligible distilled spirits taxpaid at different effective tax rates. This requirement applies to all eligible spirits, including eligible recovered alcohol and eligible spirits contained in intermediate products.

(c) Separate data shall be shown for imported rum, spirits from Puerto Rico containing at least 92% rum, and spirits from the U.S. Virgin Islands containing at least 92% rum. The total number of proof gallons of each such category used subject to drawback during the claim period shall also be shown, with separate totals for each effective tax rate. These amounts shall include eligible spirits and rum from
